State President's Message

Dear citizens,
Chibai ule,

BJP, Mizoram comes to you to seek your valued blessings to ensure that Mizoram continues unhindered on the path of development. India's transformation under Prime Minister Shri Narendra Modi's leadership reflects his commitment to change, and that spirit resonates in Mizoram also. Today, we are proud to introduce the **Inclusive Mizoram Vision Document 2023**, a manifesto encapsulating the hopes and aspirations of our citizens, uniting us under the theme of **Together Towards Tomorrow**. Mizoram faces monumental challenges; our economy is in the doldrums, and corruption is rampant. The current administration's tenure has been marked by unfulfilled promises, leaving Mizoram's potential untapped and progress stunted. However, if the challenges are enormous, so is our resolve to build a stronger and prosperous state. In light of this, we commit to:

Celebration of Mizo Identity: Balancing visionary infrastructure and cultural identity.

Protection of Minority Tribes: No tribe left behind, emphasising inclusivity and equality.

Women Empowerment: Equal contributors to our society's progress and gender equality.

Youth Skill Building: Futuristic opportunities that empower our youth.

Health and Education Revamping: Equal access to quality healthcare and education.

Dear friends, this election is not merely to elect a government; it is an election to ensure Mizoram state's socio-economic, and cultural security. It is an election to propel Mizoram forward and elevate it among other states. Please come, let us strengthen BJP in Mizoram and resolve to form a full majority BJP government.

Thank you all,

Vanlalhmuaaka

State President, BJP Mizoram

Vision Document Committee Chairman's Message

Dear brothers and sisters,

I am honoured to have this opportunity to serve the people of Mizoram and help create a brighter future for our state. The party workers rendered necessary assistance to the eligible people to benefit from various central schemes of the BJP government.

This Vision Document is the result of extensive consultations with people from all walks of life, including farmers, workers, youth, women, and members of marginalised communities. We began with conducting surveys and focus group discussions across the state and consulted with experts in various fields, including economics, education, healthcare, and infrastructure. We also ensured that the manifesto aligned with the BJP's national vision for India and reflected the values and priorities of the people of Mizoram.

We are grateful to the people for their immense participation and support throughout this campaign. It reflects the people's trust in the current BJP-led NDA government under the leadership of Prime Minister Shri Narendra Modiji and their sense of responsibility towards the state. We are confident that with your support, we will form the government and work with you to fulfil the promises in this Vision Document.

Thank you,
