Chief Minister's Message

Dear Citizens,

You may well remember that a dark cloud which was hovering over our horizon for the past 25 years and was a constant threat to our progress and development was finally driven away in March 2018. Under the able guidance of our Prime Minister Shri Narendra Modi ji, the Government of Tripura steadily marched ahead and through the implementation of various Central and State Governments' welfare schemes has made remarkable progress.

The Government of Tripura undertook various socio-economic reforms such as the implementation of the PM Garib Kalyan Yojana under which 6.19 lakh households were given free ration, Jal Jeevan Mission under which more than 4 lakh households water connections were provided and PM-Kisan Samman Nidhi Scheme under which more than 2.4 lakh farmers received benefits worth ₹6000. Further, under the PM Awas Yojana, more than 3.37 lakh houses have been sanctioned since 2018, as opposed to just 24,000 houses before 2018. We have also launched Mission Vidyajyoti to transform 125 existing schools into modern schools with state-of-the-art facilities.

In the aforementioned background, the ensuing State Assembly elections are crucial for realising the vision of 'Sreshtha Tripura'. I am confident that based on our five years performance, the people of Tripura will once again choose BJP by pressing our beloved 'Padma Phool' symbol in the upcoming election.

Sincerely,

Dr. Manik Saha
Chief Minister, Tripura
