NATION DRAWS INSPIRATION FROM ITS GLORIOUS HERITAGE

As the entire nation and millions of devotees abroad eagerly await the inauguration of the grand Shri Ram Temple in Ayodhya, the Prime Minister, Shri Narendra Modi, has gifted several projects to the holy city, aiming to make it one of the best pilgrimage centres in the world. While Maharishi Valmiki International Airport, a state-of-the-art airport is equipped to handle more than ten lakh passengers annually; the redeveloped Ayodhya railway station, new Amrit Bharat trains, and Vande Bharat trains will facilitate the comfortable journey of thousands of passengers daily. The Ayodhya Dham, the birthplace of Ramlala, held in high esteem by devotees across the world, is today becoming one of the most modern cities, representing a glorious ancient legacy and the cleanest among them all, and thus becoming a proud symbol of Indian civilizational heritage. It also represents the indefatigable civilizational spirit, centuries of struggle, and the unshakable faith of the masses in the ancient maxim of 'Satyamev Jayate'. The inauguration of the grand Shri Ram Temple in Ayodhya is set to inspire the nation with a new resolve and dynamism to move ahead in Amrit Kaal with the mantra of 'Sabka Saath, Sabka Viaks, Sabka Vishwas, Sabka Prayas', while realising the vision of the 'Viksit Bharat'. It is a historic moment that would transform the vision into reality and ignite millions of minds while setting them forth on a glorious journey towards a bright and prosperous future.

The nation observed the martyrdom of Sahibzaades Baba Zorawar Singh ji and Baba Fateh Singh ji, two younger sons of Guru Gobind Singh ji, as 'Veer Bal Diwas' on December 26, 2023. It is to be noted that

While India moves ahead with a newfound confidence and immense hope for the future under the dynamic and charismatic leadership of Prime Minister Shri Narendra Modi, the efforts towards reclaiming the glorious national heritage and its restoration and revival have given the entire nation new energy and dynamism

on January 9, 2022, the day of Prakash Purab of Shri Guru Gobind Singh Ji, the Prime Minister, Shri Narendra Modi, announced that December 26 would be observed as 'Veer Bal Diwas', to mark the martyrdom of the sons of Shri Guru Gobind Singh for their supreme and unparalleled sacrifice at the tender age of 9 and 6 years, respectively, to defend the dignity and honour of the nation. The courage and resolve displayed by Veer Sahibzades are crucial in highlighting that the younger generation refuses to succumb to cruelty and remains steadfast in defending the nation's morale. This underscores the significant role of the youth in shaping a nation and its destiny, making Veer Bal Diwas even more meaningful. While the entire nation joined in observing 'Veer Bal Diwas' in various places, the Government of India observed the 'Veer Bal Diwas' on a large scale, and Prime Minister Shri Narendra Modi was Chief Guest on the occasion at a commemorative function at Bharat Mandapam, Pragati Maidan, New Delhi. He has rightly said that Veer Sahibzaades, along with numerous youth icons like Nachiketa, Abhimanyu, Dhruv, Mauryan

Emperor Chandragupta, Eklavya, Khudiram Bose, Kanaklata Barua, Rani Gaidinliu, Baji Raut, and many others, continue to inspire the younger generation to build a strong and vibrant India.

While India moves ahead with a newfound confidence and immense hope for the future under the dynamic and charismatic leadership of Prime Minister Shri Narendra Modi, the efforts towards reclaiming the glorious national heritage and its restoration and revival have given the entire nation new energy and dynamism. There is no doubt that a nation draws its inspiration from its glorious heritage, and its civilizational centres are its lifeline. In the Amrit Kaal, while the nation aims to remove all signs of colonial slavery, the celebration of a glorious legacy and deepening of the nation's roots are prime prerequisites for realising the vision of 'Viksit Bharat'. While the inauguration of the grand Shri Ram Temple reinforces the energy and dynamism emanating from civilizational centres, the observance of 'Veer Bal Diwas' ensures that tradition of indomitable courage and sacrifice will continue to inspire the younger generation to perform their duty by shouldering responsibilities and contributing to the national reconstruction process. ■

NOT A SINGLE PROMISE FULFILLED BY CONGRESS GOVT YET IN HIMACHAL: JP NADDA

Bharatiya Janata Party National President Shri JP Nadda criticised the Congress-led Himachal government and said that not a single promise has been fulfilled by the Sukhvinder Singh Sukhu government in the state. “We won in Rajasthan, Madhya Pradesh and Chhattisgarh. Not even a single promise was fulfilled in a year in Himachal Pradesh by them (opposition). Politics cannot be done by lying and deceiving people,” Shri JP Nadda said while addressing a huge rally in Solan on 5th January, 2024.

Before addressing the huge rally, the BJP National President held a mega roadshow in Solan district. He was escorted by a huge crowd of supporters, dancing and cheering in his motorcade. After the roadshow Shri Nadda also addressed the core group meeting of BJP Himachal Pradesh in Shimla.

He said the Congress got wiped out in Chhattisgarh, Madhya Pradesh and Rajasthan and this has happened because of the unwavering faith of the people towards Prime Minister Shri Narendra Modi. “Within no time, the Congress got wiped out in Chhattisgarh, all records were broken in Madhya Pradesh and lotus blossomed in Rajasthan, too. This is the unwavering faith of the public towards PM Modi who changed the culture of Indian politics,” he said.

The BJP National President hit out at the former Chhattisgarh and Rajasthan CMs and said that both the Chief Ministers did not fulfil the promises they made in their state. “Bhupesh Baghel suspended central government schemes given to the poor, hence the people of Chhattisgarh suspended him and his government. People in Rajasthan had understood that Ashok Gehlot’s government is a government that oppresses women, is a government that does injustice to the youth. The paper was leaked 19 times, and no recruitment took place, so the people of the state made him sit at home,” he said. ■

Work with utmost dedication in upcoming elections to ensure BJP's victory: JP Nadda

With an attempt to chalk out the BJP strategy for the upcoming Lok Sabha election and energizing the party organisation, BJP National President Shri JP Nadda and Union Home and Cooperation Minister Shri Amit Shah arrived in Kolkata, West Bengal on 26 December, 2023 and held several meetings with BJP's State leadership. During their day-long visit, the leaders set a goal of securing 35 seats in Bengal for the 2024 polls. The BJP National President set up a core committee drawn from State and central BJP leaders.

Shri Nadda and Shri Shah also held a meeting with IT and Social Media teams at the National Library. Both the leaders told the social media teams to focus on nationalism and love for our country. They asked them to focus on corruption of Trinamool Congress, 'Parivaarbaad', appeasement politics and unemployment in the state.

Around 1,500 plus social media volunteers, were

present at the meeting. Earlier, Shri Nadda and Shri Shah offered prayers at Gurdwara Bara Sikh Sangat on Jorasanko in Kolkata on the occasion of 'Veer Bal Diwas'. They also did pujas at Kalighat Temple, Kolkata ahead of the strategy meeting.

Addressing the meeting of IT and social media Team in Kolkata Shri Jagat Prakash Nadda said, "Our social media volunteers play a vital role in taking our ideology and works to the people, as well as countering the falsehoods that are peddled against us.

In Bengal, they also have the important responsibility of making people aware of the blatant corruption of TMC and the hindrance they have been causing to central government's developmental work. I am confident that our social media volunteers will work with utmost dedication in the upcoming elections to ensure BJP's victory".

He said Karyakartas in Bengal have made the

BJP is the future of Telangana: Amit Shah

Union Home and Cooperation Minister Shri Amit Shah held a meeting of Mandal Presidents in Hyderabad, Telangana on 28 December, 2024, and said BRS was a sunken ship and the Congress was a sinking ship. He said BJP is the future of Telangana.

In a tweet he said “Chaired a meeting with the Mandal Presidents of BJP Telangana Unit. The booth and mandals are our pillars of strength that carry our party and government to the doorstep of every citizen. The Mandal Presidents of the Telangana pledged in the meeting to infuse more strength to the party at the grassroots”.

During the meeting he said, “You have to work hard. The BJP is being seen as the state’s future. You have to ensure that at least lotus should bloom on 10 seats here in the upcoming Lok Sabha.”

Shri Shah also offered prayers at the Bhagyalakshmi temple near the historic Charminar and said, “Jai Maa Bhagyalakshmi! Fortunate to have offered puja at Bhagyalakshmi Temple in Hyderabad. Prayed to the Maa Lakshmi for the well-being and prosperity of every citizen”.

He said the BJP is slowly making inroads in Telangana. Earlier this year, the party won the Greater Hyderabad Municipal Corporation elections. In the assembly elections, it doubled its vote share to 14 percent and won 8 seats.

After the meeting, BJP OBC Morcha National President and Rajya Sabha MP Shri K Laxman said Shri Amit Shah drew up an action plan for Telangana BJP to win over 10 seats with a vote share of 35 per cent in the next Lok Sabha polls in Telangana. The party had won four of the 17 Lok Sabha seats in 2019. ■

biggest sacrifices and even attained martyrdom. We did not have a single MLA here but now we have 77 in Bengal and 18 Lok Sabha members. If we can achieve 77 seats from 0, then we can form a government with two-third majority also.

I GUARANTEE THAT MODI JI WILL MAKE SONAR BANGLA: AMIT SHAH

While addressing the meeting of the West Bengal BJP social media workers at the National Library, Shri Amit Shah urged that the leaders remain prepared to contest the upcoming Lok Sabha election. He reiterated that the BJP would win over 35 seats in West Bengal in the 2024 election.

The Union Home Minister said, “In the 2019 general elections, the BJP had set a target and bagged 18 seats. This time BJP is targeting to win 35 out of the 42 Lok Sabha seats in West Bengal in the coming polls”.

“In West Bengal the BJP’s electoral success hinges on its social media strength. This is because the regional media does not carry our message for fear of Didi,” he told the gathering.

Urging the party workers to give 35 seats from the land of Jana Sangh founder Syama Prasad Mookerjee, he said, “I guarantee that Modi Ji will make Sonar Bangla [Golden Bengal].”

Shri Shah added that when Ms. Banerjee ousted the communists in Bengal, people were happy and had hoped that conditions in the State would improve. “But what she gave instead was worse than that.... Forming a BJP government in West Bengal will mean the end of infiltration, cow smuggling, and the citizenship to religiously persecuted people through CAA”. ■

PM Modi Story

Ram Mandir: PM Narendra Modi's special urge to the Saints

On January 22, 2024 Prime Minister Shri Narendra Modi will officially inaugurate the Ram Mandir in Ayodhya. This day will mark an end to the 500-year-old struggle of the Hindu nation which required the courage and determination to fight this long and hard battle for truth and justice. A battle for their Ram Lalla.

Within these struggles, there was one man whose faith was static, who always believed that Ram Mandir will be built on the same site where Bhagwan Ram was born. That person was Shri Narendra Modi.

Here is an anecdote from the time when members of Shri Ramjanmabhumi Tirth Kshetra went to meet PM Shri Narendra Modi to invite him for the grand event on January 22. Swami Govind Dev Giri, member of the Trust narrates this incident and calls it an epitome of humility from PM Shri Modi.

"We were given a time of 5.15 pm for the meeting and to everyone's surprise PM Shri Modi himself was standing at the door to welcome the trust members," says Swami Govind Dev Giri.

The discussion between Trust members and Shri Modi started after exchange of greetings. We informed Shri Narendra Modi that we were there to invite him for Ram

Mandir inauguration on January 22, 2024. We also expressed our view that we needed suggestions from him about the program. But PM Shri Modi said that Shri Ramjanmabhumi Tirth Kshetra is organizing this event and the Trust members are here to invite me for the program, therefore, only the saints will decide the programs to be organized at the event. Shri Modi also said that

he will only follow the instructions given by saints at the event, adds Swami Govind Dev Giri.

"Normally, we don't witness such humility from everyone. People suggest as per their convenience, but Shri Modi has this intuition to understand what the Ram Mandir Trust has decided for him," Swami Govind Dev Giri further added.

To expect such respect towards saints and this sort of humility from a person who is atop the political system of the country is very rare and this is why PM Shri Modi is loved by all,

adds Swami Govind Dev Giri.

There is another aspect that is worth mentioning here. There has been a constant urge from PM Shri Narendra Modi to make this Ram Mandir a centre of social inclusion.

"In one meeting, Shri Modi suggested that Maharshi Valmiki and Vashishth, Shabari, Nishadraj, Jatayu, Ahilya and others are integral part of Shri Ram's life and they must get a place within the Ram Mandir," says Swami Govind Dev Giri.

This vision by PM Shri Modi is a thought that would unite the nation as it includes every section of the society, opined Swami Govind Dev Giri.

PM Shri Modi was very particular about the access of Divyang people in the Ram Mandir. He had suggested for a system that would give such people hassle-free access to the temple.

Who would have the access to the Garbh Grih of the Ram Mandir was another concern that was raised by Shri Modi. He also suggested to have a system in place like Somnath Ji, where only priests are allowed inside the Garbh Grih.

All these suggestions came from Shri Modi himself, says Swami Govind Dev Giri. ■

A TRIBUTE TO CAPTAIN!

Thiru Vijayakanth Ji was truly a Captain for everyone- a person who lived his life for the betterment of others, providing leadership and a healing touch to people in need. Personally, Captain was a very dear friend - someone with whom I closely interacted and worked with on several occasions

NARENDRA MODI

A few days ago, we lost a greatly admired and respected icon, Thiru Vijayakanth Ji. He was truly a Captain for everyone- a person who lived his life for the betterment of others, providing leadership and a healing touch to people in need. Personally, Captain was a very dear friend - someone with whom I closely interacted and worked with on several occasions.

Captain was a multifaceted personality. In the world of Indian cinema, few stars have left an indelible mark as Vijayakanth Ji has. There is much to be inspired by in his early years and cinematic work. His journey from humble beginnings to the highs of Tamil cinema is not just a story of stardom but a chronicle of relentless effort and unwavering dedication. He did not enter the world of cinema for fame. His was a journey driven by passion and perseverance. Each film of his not only entertained but also echoed the societal ethos of its time, resonating deeply

with a wide cross section of the audience.

Captain's roles and how he played them highlighted his deep understanding of the common citizen's struggles. He often portrayed characters that fought against injustice, corruption, violence, extremism, terrorism and stood up for the underdog, qualities that he embodied in real life as well. It would be fair to say that his films were mirrors

His journey from humble beginnings to the highs of Tamil cinema is not just a story of stardom but a chronicle of relentless effort and unwavering dedication. He did not enter the world of cinema for fame

held up to society, reflecting its virtues and vices. This unique blend of entertainment and social messaging made him stand out.

Here, I want to specially highlight his love for rural life and culture. Even after attaining tremendous fame and travelling all over the world, his love for village life and traditional ethos remained. His films seemed to have closely followed his rural experience. He often made exemplary efforts to improve the

urban people's understanding of the rural milieu.

But Captain's impact was not limited to the silver screen. He entered the world of politics and wanted to serve society in a more extensive manner. His entry to the world of politics was an act of high courage and sacrifice. He entered the political arena when the politics of Tamil Nadu was dominated by two stalwarts - Amma Jayalalitha

Ji and Kalaingar Karunanidhi Ji. In such a context, to present a third alternative was unique but it was also vintage Captain- to do things on his own terms! His own emphasis on nationalism and social justice reflected in the ideology of the Desiya Murpokku Dravida Kazhagam (DMDK) which he founded in

2005. Whenever he spoke, one could not miss drawing parallels with his on-screen persona who often championed the cause of the downtrodden. In the highly bipolar and competitive polity of Tamil Nadu, he became the principal Opposition leader in 2011, in a relatively short time since his Party was formed.

I worked with Captain during the 2014 Lok Sabha elections when our parties fought in an alliance and got over 18.5% votes – the highest that any national

alliance without either of the main regional players got after 1989 elections! I fondly recall a joint rally we did in Salem where I witnessed his fiery oratory and the connect he had with the people. When the NDA formed the government in 2014, he was among the happiest people. I can never forget his joy at the Central Hall, when NDA leaders met after the 2014 poll win.

Beyond his professional achievements, Vijayakanth Ji's life offers valuable lessons to the

In the passing of Vijayakanth Ji, several people lost their most admired star and lots of people have lost their beloved leader. But I have lost a dear friend - a friend whose warmth and wisdom were remarkable. He leaves behind a void that cannot be filled

youth. Most notably - the power of resilience, a never say die attitude and to overcome any number of challenges through sheer dedication. Equally inspiring is his largehearted nature. He was known for

philanthropy- he used his fame and resources to give back to society in many ways. He was always keen that Tamil Nadu and the entire India become a leader in healthcare and education.

In the passing of Vijayakanth Ji, several people lost their most admired star and lots of people have lost their beloved leader. But I have lost a dear friend - a friend whose warmth and wisdom were remarkable. He leaves behind a void that cannot be filled. The Kural talks about how courage, generosity, wisdom, and zeal are four essential elements of a successful leader. Captain truly embodied these traits and that is why he was so widely respected. His legacy will continue to live on in the hearts of his fans, the annals of Tamil cinema, and the corridors of public service. And, we will keep working to realise his vision for progress and social justice for all. ■

TARUN CHUGH

On 26th December 2022, when Veer Bal Diwas was celebrated in India for the first time, the whole country came to know about the great sacrifice Guru Gobind Singh Ji had to make for the protection of the country and Dharma. Announcement of 'Veer Bal Diwas' to mark the martyrdom of Sahibzada Baba Zorawar Singh Ji, son of Sri Guru Gobind Singh; by Prime Minister Narendra Modi enhanced a feeling of respect for Prime Minister Modiji in the entire country. on this day we also remember the courage of Sahibzadas and Mata Gujri Ji and Shri Guru Gobind Singh Ji.

Guru Govind Singh Ji had four sons named Sahibzada Ajit Singh, Sahibzada Jujhaar Singh, Sahibzada Zorawar Singh, and Sahibzada Fateh Singh. It's heart rendering that all four Sahibzadas had to sacrifice their lives to protect our Dharma, which has been recorded as the supreme sacrifice.

It's pertinent to mention that Veer Bal Diwas is celebrated in honor of these four "Sahibzadas". This date was chosen to mark the sacrifice of the youngest Sahibzada, also the youngest son of Guru Gobind Singh, the last Sikh guru. 26 December was observed to mark the day of the sacrifice of Sahibzadas Zorawar Singh and Fateh Singh at the age of six and nine respectively. For the first time after the announcement

Martyrdom Week and 'Veer Bal Diwas' bring a lot of emotions and infinite inspiration to the Sikh community. 'Veer Bal Diwas' inspires us and confirms the fact that age is no bar for bravery. 'Veer Bal Diwas' tells us about all the ten Gurus and the sacrifice of Sikhs for self-respect and the country

by Prime Minister Modiji, a historic program was organized at Major Dhyani Chand National Stadium in Delhi to mark the "Veer Bal Diwas". By observing this historical day, and by spreading awareness amongst the younger generation about the story of the bravery of Sahibzadas, a message to feel proud of the courage and strength of the youth

and children of the country, was circulated in the masses.

The first 'Veer Bal Diwas' was a new beginning. On that day we are united in paying tribute to Sahibzadas for their sacrifice; which has been remembered for generations. Martyrdom Week and 'Veer Bal Diwas' bring a lot of emotions and infinite inspiration to the Sikh community. 'Veer Bal Diwas' inspires us and confirms the fact that age is no bar for

bravery. 'Veer Bal Diwas' tells us about all the ten Gurus and the sacrifice of Sikhs for self-respect and the country. 'Veer Bal Diwas', gives us the opportunity to recognize our past, and inspires us to build a powerful future for India. This day reminds us of the potential of India's young generation and tells us how India's youngsters have protected the country in the past. And how has our young generation brought India out of darkness? 'Veer Bal Diwas' will remain to be the epitome of supreme sacrifice and struggle in the country for the time to come.

Standing fearlessly alone in the face of cruelty and fear, Guru's brave Sahibzadas were neither afraid of any threat nor

did they bow before anyone. Zorawar Singh Sahab and Fateh Singh Sahab were bricked alive in the wall. On one hand, cruelty crossed all its limits, whereas on the other hand, patience, bravery, and fearlessness were at their zenith. Sahibzada Ajit Singh and Sahibzada Jujhaar Singh also set that example of ultimate bravery. These sacrifices have been inspiring us for centuries. A country that has such a heritage, history and culture, it is natural for it to possess the utmost self-respect and confidence.

Prime Minister Shri Modi Ji thought of celebrating 'Veer Bal Diwas' to free the country from the mentality of slavery, this holds a great message for us. Today, when the youth of the country have set out to take the country to new heights, then The role of Veer Bal Diwas that falls on 26 December has become even more important. The Sikh's Guru tradition is not just a tradition of faith and spirituality; it's also a source of inspiration for the idea of 'Ek Bharat! Shrestha Bharat!'.

The future of the following generations of India also depends

on the fact that they get inspired. The level of sacrifice made by the Sahibzadas cannot be compared with any of the examples from other countries in the world. New

In the 'Amrit Kaal', the country is making efforts to revive the history of the freedom struggle. We are making our all efforts to make the contributions of our freedom fighters, brave women, and tribal society reach the common people. A historical day 'Veer Bal Diwas' will also play the role of a guiding force in this direction

India now under the leadership of Prime Minister Modi is correcting old mistakes committed decades ago.

A nation is identified by its principles, values and ideals. We have seen in history, that when the values of a nation change, within a short time its future also changes. And, if these values remain safe, if the ideals of the past are clear to the present generation. The younger generation always needs inspiration and role models to move forward. The younger

generation needs to know the history of their own heroes and greats to learn and take inspiration.

In the 'Amrit Kaal', the country is making efforts to revive the history of the freedom struggle. We are making our all efforts to make the contributions of our freedom fighters, brave women, and tribal society reach the common people. A historical day 'Veer Bal Diwas' will also play the role of a guiding force in this direction.

We need to come together and take the message of Veer Bal Diwas to every nook and corner of the country so that the people of the country know the history of sacrifice, courage, and bravery of their ancestors. Therefore, the message of the lives of our four Sahibzadas should reach every child of the country and they should take inspiration from them and become dedicated citizens of the country. These ideals of ours will give us new energy to reach our goal of a stronger and a developed India.

'Mann Ki Baat' means an auspicious opportunity to meet you: PM

Prime Minister Shri Narendra Modi, in his 108th episode of 'Mann Ki Baat' on December 31, said that Mann Ki Baat' means an auspicious opportunity to meet you. For him, it is like a meeting with family members. We are publishing highlights of the episode for our esteemed readers:

Mann Ki Baat means an auspicious opportunity to meet you, and when you meet your family members, it is so pleasing... so satisfying. This is exactly what I feel after meeting you through 'Mann Ki Baat'. And of course, today, this is the 108th episode of our shared journey. For us the importance of the number 108 and its sanctity is a subject of deep study. This number 108 is associated with immense faith. That's why the 108th episode of 'Mann Ki Baat' has become all the more special for me. In these 108 episodes, we have seen many examples of public participation and derived inspiration from them. Now after reaching this milestone, we have to resolve to move forward afresh, with new energy and at a faster pace. And what a joyous coincidence it is that tomorrow's sunrise will be the first sunrise of 2024 - we would have entered the year 2024. Best wishes to all of you for 2024.

- Friends, when Nattu-Nattu won the Oscar, the whole country rejoiced with fervour. Who would not have been happy on hearing about the honour accorded to the 'The Elephant Whisperers'? Through them the world saw the creativity of India and understood our bonding with the environment. This year our athletes also performed marvellously in sports. Our players won 107 medals in Asian Games and 111 medals in Asian Para Games. Indian players won everyone's heart with their

performance in the Cricket World Cup. The victory of our women's cricket team in the Under-19 T-20 World Cup is very inspiring. The achievements of players in many other sports added to the glory of the country. Now Paris Olympics will be held in 2024, for which the whole country is encouraging her players.

- A few days ago an experiment took place in Kashi, which I want to share with the listeners of 'Mann Ki Baat'. You know that thousands of people had reached Kashi from Tamil Nadu to participate in the Kashi-Tamil Sangamam. There I publicly used the Artificial Intelligence AI tool Bhashini for the first time to communicate with them. I was addressing from the stage in Hindi but through the AI tool Bhashini, the people of Tamil Nadu present there were listening to my address in Tamil language simultaneously. People who came to the Kashi-

Tamil Sangamam seemed very excited about this experiment. I would urge today's young generation to further explore AI tools related to Real Time Translation and make them 100% fool proof.

- In the changing times we have to save our languages and also promote them. I now want to tell you about a tribal village in Jharkhand. This village has taken a unique initiative to provide education to its children in their mother tongue. Children are being imparted education in Kudukh language in Manglo village of Garhwa district.

This language was gradually becoming extinct; to save it, this community has decided to educate children in their own language.

- In our country, many children used to leave studies midway due to language difficulties. The new National Education Policy is also helping in eliminating such hardships.
- The name of Rani Velu Nachiyar is also one among the many great personalities of the country who fought against foreign rule. My brothers and sisters of Tamil Nadu still remember her by the name of Veera Mangai i.e. brave woman. She relentlessly remained busy for many years in building an organization and raising an army with the Marudu Brothers i.e. her commanders. She started the war against the British with full preparation and fought with great courage and determination. The name of Rani Velu Nachiyar is included among those who formed an All-Women Group for the first time in their army.
- My family members, there is excitement and

enthusiasm in the entire country in connection with the Ram Mandir in Ayodhya. People are expressing their feelings in a multitude of ways. You must have noticed that during the last few days, many new songs and new bhajans have been composed on Shri Ram and Ayodhya. Many people are also writing new poems. There are many experienced artists in it and new emerging young artists have also composed heart-warming bhajans. I have also shared some songs and bhajans on my social media.

- It seems that the art world is becoming a participant in this historic moment in its own unique style. One thing comes to my mind... could we all share all such creations with a common hash tag? I request you to share your creations on social media with the hashtag Shri Ram Bhajan (#shriRamBhajan). This compilation will turn into a flow of emotions and devotion in which everyone will be immersively imbued with the ethos of Ram. ■
