BJP WAY AHEAD OF ALL OTHER POLITICAL PARTIES

As people came out in large numbers to exercise their franchise in the first phase of the ongoing elections to the assemblies of five states, the Indian democracy got further strengthened and reinforced. The enthusiasm among people is not limited to voting but to participation in the entire process, resulting in huge rallies, door-to-door campaigns, debates and discussions on various forums, and from vocal support to active opposition of various candidates in the fray. In the entire electoral process, the BJP seems to be way ahead of other political parties, with its rallies, programmes, and campaigns drawing huge hits among the people. The programmes and policies of the BJP and its governments at the centre and states have today become synonyms of good governance, development, and corruption-free governments committed to 'Antyodaya' and having unflinching faith in tirelessly serving the nation. While the charismatic and visionary leadership of Prime Minister Shri Narendra Modi is inspiring the entire nation to realise the goals of Viksit Bharat, the BJP is blessed with an array of dynamic and capable leadership from the centre to the states and millions of committed karykarts at the grass-roots level. As the largest political party in the world, the BJP has become the only hope of the country amid a plethora of political parties plunged in dynastic, unprincipled, opportunistic, and vote-bank politics. The result is that the people have been showering their blessings boundlessly on the BJP in every election.

While Chhattisgarh recorded more than 78% polling in the first phase, the incumbent Congress government led by Chief Minister Bhupesh Baghel is set to be rejected by the people. The liquor scam, rice scam, coal scam, Gothan scam, and Mahadeo App scam are some of the big scams making national headlines as crores of public money is swindled and looted. In the state PSC exams, nepotism has played a huge role, with only the children of Congress getting appointments to various posts. The manner in which the central leadership of the Congress has been treating Chhattisgarh as a golden sack is a matter of common knowledge. The Congress government in Chhattisgarh is not only neck-deep in corruption, but it has also halted the progress of the state by shelving many developmental initiatives taken by its predecessor BJP government. Not only this, the benefits of many welfare schemes of the Modi government are not reaching the intended beneficiaries. In such a situation, the BJP has the responsibility to rescue the state from the clutches of the Congress culture of corruption, nepotism, and vote-bank politics. The BJP 'Sankalp Patra' released by Union Home and Cooperation Minister Shri Amit Shah promises a bright future for the state while fulfilling the aspirations of every section of the society. The 'Krishi Unnati Yojana' addresses the problems

The BJP has become the only hope of the country amid a plethora of political parties plunged in dynastic, unprincipled, opportunistic, and vote-bank politics. The result is that the people have been showering their blessings boundlessly on the BJP in every election

of the farmers and aims at buying 21 quintals per acre of paddy at the rate of Rs. 3,100/-, benefiting the farmers in a big way. The 'Sankalp Patra' also promises to build 18 lakh new houses in the state under the Pradhan Mantri Awas Yojana and give tap water connections to every house. The schemes for labourers, landless agricultural labourers, women, and youth provide insight into the vision of the BJP for the entire state and its commitment to the all-round development of the people.

The BJP 'Vision Document' for Mizoram released by BJP National President Shri Jagat Prakash Nadda not only promises a drug-free Mizoram but also talks about sports academia with the provision of scholarships for aspirant athletes and missions like the 'Mizoram Education Upgrade' and 'Zirlai Simathamam Mission'. The vision and commitment of Prime Minister Shri Narendra Modi for the northeastern states are known to everyone, and now the world acknowledges the way he has transformed the entire region. As the BJP has won the trust of the people with its visionary and development-oriented politics which is resulting in a huge transformation in the nation, the masses are increasingly supporting the BJP. ■

PM'S RALLY IN SEONI & KHANDWA (MADHYA PRADESH)

PM GARIB KALYAN YOJANA WILL BE EXTENDED FOR FIVE MORE YEARS TO EMPOWER THE POOR: PM MODI

Electioneering has gained momentum for Assembly elections- 2023 in five poll bound states- Chhattisgarh, Mizoram, Telangana, Madhya Pradesh and Rajasthan. Prime Minister Shri Narendra Modi, BJP National President Shri JP Nadda, Defence Minister Shri Rajnath Singh, union Home Minister Shri Amit Shah and others senior leaders addressing hosts of public meetings and organising grand road shows in various constituencies across these states in support of the party candidates. Massive public gatherings are also taking place in the meetings of Hon'ble Prime Minister and other leaders and it seems already the people have made up their mind to give a decisive mandate to BJP this time.

Meanwhile, the first phase of assembly election was concluded on 07 November, 2023 and with it the election atmosphere has further surcharged across the states. Following are the excerpts of speeches made by PM Shri Modi and other leaders in various election rallies

Ahead of the Assembly Election in the state of Madhya Pradesh, PM Shri Narendra Modi addressed two mega public meetings in Seoni and Khandwa. The PM said, "BJP Government in MP symbolizes continuity in good governance & development".

Shri Modi said, "Unlike the Scam-laden Congress Governments, we have enabled Garib Kalyan in the true sense". He added that the PM Garib Kalyan Yojana will be extended for five more years to empower the poor.

Congress only believes in Family Rule

Highlighting the contributions of the various Janjatiyas, the PM said that both MP and India have

tremendously benefitted from the efforts of the tribal leaders such as Rani Durgavati and Raja Shankar Shah, among various others who have prominently contributed to India's Freedom. He added, "Congress Party only believes in Nepotism, Political Favoritism and Family Rule." He said that Congress has appropriated everything, including India's Freedom Legacy, as their own, and their manifesto is a testimony to the same. Shri Modi added, "For the BJP, the contribution of all matters and that you all are India for us".

BJP introduced the Ministry of Tribal Affairs

On the various policies that have facilitated Tribal Development in India, PM Shri Modi highlighted that

it was the BJP that introduced the Ministry of Tribal Affairs and created a separate budget for the same. It has been the BJP Government that has honoured the legacy of various tribal leaders, be it the labelling of 'Janjatiya Diwas' on the birth anniversary of Birsa Munda or the construction of a memorial for 'Rani Durgavati' in Jabalpur and naming the Bhopal Railway Station on 'Rani Kamalapati'.

PM Vishwakarma Yojana

PM Shri Modi emphasized how the PM Vishwakarma Yojana is a means to honour the poor and downtrodden of India to preserve and promote traditions. He said that in MP, the Congress is only fooling the people by its attempt to contest an election.

PM Shri Modi said that in the end, the only thing that matters for the Congress is 'Family'. He remarked, "The Congress has no future roadmap for the country and the state as well as their future". On the state of Congress' politics, he said, "The Congress even today seeks votes in the names of their forefathers". He added that it is only the BJP Government that has always envisaged working for the empowerment of all, enabling true social justice. He said that all Government policies are directed to develop MP where its youth realize their true potential. PM Modi stated that all measures are being taken to transform MP's industry and tourism potential.

Congress-led policies have made MP BIMARU

Addressing the people in Khandwa, Shri Narendra Modi criticised the Congress. He said, "Congress-led policies have made MP BIMARU and have treated the state like an ATM Machine." It has been the wrong policies of the Congress that kept Khandwa a backward district, depriving it of the fruits of development. He added that through the Aspirational Districts Program, Khandwa today has truly prospered under the 10-year BJP rule, he said.

Talking about the instability-ridden Congress Party, the PM retorted, "Congress Party is a synonym for instability, arrogance, crime, corruption, appeasement and mafia-ridden system of governance." He stated that considering the dismal track record of the Congress, the people of MP have to be careful and vigilant to prevent the Congress-led malaise.

Poor & poverty is biggest and only caste in India

Speaking on poverty, the PM stated, "Poor & poverty is the biggest and the only caste in India." He added that for the same the Government has implemented several positive policies that saw the exit of 13.5 crore people out of poverty in India in 5 years. He added that, moreover, Modi means the fulfilment of all guarantees.

Shri Modi expressed his gratitude to all people who had gathered in large numbers and remarked that a 'Double-Engine Sarkar is critical for MP's developmental prospects and appealed to all the first-time voters to vote for a government that facilitates the rise of MP's developmental and economic prospects to 'Top-5' Indian states. ■

KANKER, CHHATTISGARH

'BJP's resolution is to bring Chhattisgarh among top states in the country'

Addressing the 'Vijay Sankalp Maharally' in Chhattisgarh's Kanker on 02 November, 2023, Prime Minister Shri Narendra Modi said, "BJP's resolve is to strengthen Chhattisgarh identity. BJP's resolve is to protect the interests of every poor, tribal and backward people. BJP's resolve is to bring Chhattisgarh among the top states of the country. Development cannot take place wherever there is Congress."

Shortcomings of the Congress government

PM remarked, "Over the past 5 years, you've witnessed the shortcomings of the Congress government. During this time, the residences, bungalows, and vehicles of Congress leaders have

seen significant growth. Unfortunately, only the children of Congress leaders and their relatives reaped the benefits during this period."

Talking about the development schemes initiated by the centre, Shri Modi emphasized, "The BJP government's foremost concern is the well-being of the poor. We are committed to safeguarding both your current and future interests. Therefore, whatever schemes the BJP government at the Center has implemented during the last 9 years, their aim remains the same – the welfare of the poor."

Slamming the Congress party, The PM said, "It is decided to build lakhs of houses for lakhs of poor families of Chhattisgarh. But the Congress government here is not allowing them to be built. BJP government made a scheme to provide free ration for you. But Congress made a scam in this scheme also in Chhattisgarh."

Quality hospitals in every village

PM Shri Modi mentioned that he launched the initiative to establish quality hospitals in every village through the Ayushman Bharat scheme right from Bastar. "Today, these healthcare facilities are commonly referred to as Ayushman Arogya Mandirs by people across the nation. Thousands of such Ayushman Arogya Mandirs have also been established in Chhattisgarh," he said.

Addressing the huge gathering, PM Shri Modi asserted, "Modi's guarantee means guarantee of fulfilment of every guarantee. Only Congress leaders can do the work of making false announcement by swearing on Ganga ji. We have completed the tasks which seemed impossible till 9 years ago, because Modi had guaranteed them. We have also ensured reservation for women in Lok Sabha and Assembly. We are also asking those sections of the society which no one asked before. Under PM Vishwakarma Yojana, every Vishwakarma Sathi will be given financial assistance of thousands of rupees."

Demand of Mhara-Mahara community

The Prime Minister emphasized that the BJP government addressed the longstanding demand of the Mhara-Mahara community by granting them Scheduled Caste (SC) status. "Additionally, the BJP government has opened doors for the

future of 12 communities by extending Scheduled Tribe (ST) status to them. It is our government that conferred constitutional recognition upon the OBC Commission," he added.

250 Govardhan plants are fraudulent

Highlighting the Congress's misleading assertions, PM Shri Modi noted, "The Congress has asserted the initiation of over 300 Govardhan plants in Chhattisgarh. However, upon verification by the Central Government, it was revealed that approximately 250 Govardhan plants are fraudulent and no longer operational."

PM Shri Modi said, "Half a decade ago, the Congress made a resounding pledge to eradicate alcohol consumption, but your concerns persist. Your income is being plundered, and your children's welfare is at stake. Instead of keeping their promise, the Congress government was involved in a liquor scandal, ultimately benefiting its leaders." ■

DURG, CHHATTISGARH

'Congress Govt of Chhattisgarh leaving no opportunity to loot you'

Ahead of Chhattisgarh assembly elections, Prime Minister Shri Narendra Modi on 04 November, 2023 congratulated the people of state for the newly unveiled BJP manifesto, which promises to transform their aspirations into reality. Addressing a public meeting in Chhattisgarh's Durg, PM Shri Modi said, "Within this manifesto, priority has been given to the women, youth, and farmers of Chhattisgarh. The BJP has a consistent track record of delivering on its promises."

Unveiling a bundle of lies of Congress, PM Modi questioned, "What is the priority of Congress? Congress's priority is to fill its coffers with corruption. The priority of Congress is to distribute jobs to the favourites of its leaders and to exclude your children from jobs. In the PSC scam, this is what Congress did. Congress expelled your children and recruited its children."

30% commission on projects

PM Shri Modi said that the state government is taking a 30% commission on projects. The PM slammed the Congress over wrongdoing using a new slogan, "Tees taka kakka, Aapka kaam pakka".

He said that the Congress government of Chhattisgarh is not leaving any opportunity to loot the people of the state, which is why they have not even left the name of Mahadev.

Hitting out at the Chief Minister of Chhattisgarh, PM Shri Modi said, "Recently, a huge amount of money was discovered in Raipur, which is believed

to be linked to the Congress election campaign. Reports suggest that the money trail leads to the Chief Minister of Chhattisgarh, raising questions about his connection with the individuals involved in this alleged scam in Dubai. After all, why has the Chief Minister here become nervous after this money has been seized?"

"Action will indeed be taken against those who looted Chhattisgarh. Account for every penny will be taken from them...I assure you once again after the BJP Government is formed in the state, such scams will be strictly investigated, and those who looted you will be sent to jail," he further added.

Chhattisgarh government has broken your trust

PM Shri Modi listed a series of scams committed by the state government. He said, "The corrupt government of Chhattisgarh has broken your trust by committing scams one after the other and has insulted Chhattisgarh Mahtari. PSC scam and Mahadev APP scam are already in the news. Furthermore, the report card of the Congress government reveals a multitude of additional scams, ranging from liquor and cement scams to rice and go than scams. Congress has left no opportunity untapped to exploit Chhattisgarh." The Prime Minister assured that, under the BJP government, such fraudulent activities will undergo rigorous investigation, and those who embezzle public funds will be prosecuted and imprisoned.

'I guarantee you'

Addressing the huge rally, PM Shri Modi stated, "I guarantee you, As soon as the BJP government is formed, lakhs of poor families of Chhattisgarh will get permanent houses quickly. The work of providing toilets to the poor should be done. The work of providing free gas connections to our poor sisters should be done. There should be supply of tap water to every house. After the formation of the BJP government, all such works will be expedited. And this is Modi's guarantee to our sisters and daughters of Chhattisgarh."

In a significant declaration, Prime Minister Shri Modi conveyed, "The Pradhan Mantri Garib Kalyan Anna Yojana is scheduled to conclude in December this year. However, I am pleased to announce that the BJP government is extending the initiative to provide

free rations to the underprivileged for the next five years. This is Modi's guarantee."

"The BJP government has made such arrangements that no matter you go to any part of the country, you will continue to get free ration. That is why Modi has given you the facility of One Nation, One Ration Card," he added. ■

PM'S ADDRESS TO THE PEOPLE OF MIZORAM

BJP is committed to creating a Marvellous Mizoram: PM Modi

Addressing the people of Mizoram via video conference, Prime Minister Shri Narendra Modi on 05 November, 2023 said, "Before 2014, people perceived the northeastern states, such as Mizoram, as distant from Delhi both physically and psychologically. The BJP recognized this sense of distance and, after coming into power as part of the NDA government in 2014, made it a priority to bridge this gap by addressing the aspirations and needs of the northeastern states."

"In the last nine years, I have had the privilege of visiting the Northeastern states 60 times. Apart from this, large-scale development and connectivity works also reduced the physical distance. BJP has brought the country's capital, Delhi, to the doorstep of the people of the North-East," he further added.

Highlighting the infrastructural development in the region, PM Shri Modi stated, "During one of my

earlier visits to Mizoram, I had promised to work for 'Transformation by Transportation'. Since then, a revolution has happened across sectors due to the work of the BJP-led Government. In railways, we did something that had not been done in 7 decades of independence. When it comes to roadways, our work across the Northeast is well known. Till 2013-14, the total length of National Highways in the Northeast was 8,500 kilometres. We almost doubled it to 15,700 kilometres in 2022-23."

Developmental initiatives in Mizoram

PM Shri Modi discussed the impact of various developmental initiatives in Mizoram. He mentioned the Ayushman Bharat scheme, which provides free healthcare to the poor, benefiting around 4.5 lakh Mizoram residents across 100 hospitals. Additionally, he talked about the support for farmers through schemes like PM Kisan Samman Nidhi, with approximately 1,75,000 Mizoram farmers receiving financial assistance annually, he said.

The PM announced, "You know that PM Garib Kalyan Anna Yojana was started during the Corona pandemic. Under this scheme, free ration has been ensured to 80 crore poor citizens of the country for the last three years. Now our Government has decided that the scheme of free ration to the poor will be extended for the next five years. No poor should remain hungry; every poor should get free ration; this is Modi's guarantee."

Swachh Bharat Mission

Thanking the people of Mizoram for their work in Swachh Bharat Mission, PM Shri Modi said, "It is you who made Mizoram the state with 100 Percent functional public toilets. It is you who is building a Clean and Green Mizoram."

Regarding the sports talent and infrastructure, PM Shri Modi remarked, "The youth of India are flying the flag of India higher and higher in every global sports tournament. There is great passion for sports in the Northeast. This region, including Mizoram, has played a key role in India's rise. We are committed to increasing the overall sports infrastructure. We are focusing on creating sports academies and scholarships for young athletes in the future." ■

Congress means loot, corruption and dynastic politics: JP Nadda

BJP National President Shri JP Nadda, while addressing massive election rallies in Pendra and Masturi constituencies on 05 November, 2023 criticised the Congress government in Chhattisgarh for promoting corruption at all levels. He said following taking charge after the assembly elections the BJP government in the state would probe and take action against the scams and scandals.

Shri Nadda criticised the Congress government for rampant corruption and said that the Congress did not even spare the name of Mahadev, referring to the alleged links between the betting app and chief minister Bhupesh Baghel. Asim Das, who reportedly travelled from Dubai to Chhattisgarh was held by the Enforcement Directorate for alleged affiliation with Mahadev betting app. During questioning, Das claimed to have brought a staggering amount of Rs 508 crore with the intent to support the Congress party and CM Baghel in the upcoming elections.

The BJP National President went on to emphasize that wherever the Congress reigns, corruption, lawlessness and oppression follow. He accused the Congress government in Chhattisgarh of being embroiled in a series of scandals, including alleged liquor scam worth Rs 2000 crore, a rice scam worth Rs 5000 crore, a coal scam amounting to Rs 540 crore, and a Gothan scam worth Rs 1,300 crore.

Shri JP Nadda also said that there were irregularities in job posting of teachers, with relatives of leaders and officers allegedly benefiting from the Public Service Commission's decisions. He pledged that if the BJP came into power, they would take action against these scandals, bringing the guilty to justice.

The BJP President assured the huge gathering that the Modi government had taken significant steps for the welfare of tribals, emphasizing the promises made in the party's manifesto. He promised that with the BJP in power, development was guaranteed, but if the Congress, led by Bhupesh Baghel, came to power, the guarantee would be of corruption and plunder. ■

REWA, MADHYA PRADESH

'People have made their minds to dedicate all seats to BJP'

Bharatiya Janata Party National President Shri JP Nadda on 3 November, 2023 said people have made up their mood to bring BJP back in Madhya Pradesh and dedicate all seats to the party. Addressing a huge public rally at NCC Ground, Shri JP Nadda said, "I can clearly see your mood to bring BJP to Madhya Pradesh and you've made up your mind to dedicate all seats to BJP."

In another public meeting in Semariya, Rewa district the BJP National President said, "It is the culture of BJP that if they get elected, they have the courage to put forward the work they've promised in front of the people."

At another rally in Sirmour, Rewa district Shri Nadda said, "Almost 97 per cent of mobile phones are being manufactured in India. Apple phones are also being manufactured here... In automobile manufacturing, India is the third biggest market. In medicines, India has become the dispensary for the world. Cheap and most effective medicines are being manufactured in India and supplied to the world".

BJP National President Shri JP Nadda along

with BJP State President Shri VD Sharma and other leaders also held a roadshow at Tyonthar in Rewa district. ■

BARWAHA, KATARGAON (MP)

BJP government brings development

BJP National President Shri Jagat Prakash Nadda addressed huge public meetings in Barwah (Barwah Assembly, District Khargone), Katargaon (Maheshwar

Assembly), Pigdambar (Mhow Assembly, District Indore) and a Rath Sabha in Mandleshwar (District Indore) on 07 November, 2023. He once again appealed to the people of Madhya Pradesh to form a double-engine government of the BJP under the leadership of Prime Minister Shri Narendra Modi to maintain the pace of development in the state and said that whenever the Congress Party is in power, it has brought only corruption, malpractice, and atrocities, whereas the BJP government brings development and empowerment for the poor, farmers, Dalits, backward tribals, women, and youth. ■

FORMER DEPUTY PM LK ADVANI TURNS 96; PM MODI VISIT'S HIS RESIDENCE TO WISH

Advaniji a beacon of integrity and dedication: PM Modi

Prime Minister Shri Narendra Modi met veteran BJP leader and former Deputy Prime Minister Shri Lal Krishna Advani on his 96th birthday on 08 November, 2023 and extended greetings. "Went to Advani Ji's residence and wished him on the occasion of his birthday," the PM wrote on X. The Prime Minister also shared pictures with the veteran leader in his post.

Along with the Prime Minister Shri Narendra Modi other senior BJP leaders including BJP National President Shri JP Nadda, Defence Minister Shri Rajnath Singh, union Home Minister Shri Amit Shah and BJP National General Secretary (Org.) Shri BL Santhosh also visited him.

Earlier in the day, Shri Modi extended his greetings to Shri LK Advani on X. Shri Modi wrote, "Birthday greetings to LK Advani Ji. He is a beacon of integrity and dedication who has made monumental contributions that have strengthened our nation. His visionary leadership has furthered national progress and unity."

"I wish him good health and a long life. His efforts towards nation-building continue to inspire 140 crore Indians," he added.

BJP National President Shri JP Nadda said, "Wished Shri Lal Krishna Advani ji a very happy birthday and I

pray God for your good health and long life".

Defence Minister Shri Rajnath Singh said, "Went to revered Advaniji's house and wished him a very happy birthday. May God keep him healthy and give long life".

Union Home Minister Shri Amit Shah also wished the 96-year-old leader on his birth anniversary and said, "Happy birthday to respected Lal Krishna Advani ji. Advani ji, with his tireless hard work and organizational skills, worked to nourish the party and build workers. Advaniji's incomparable contribution from the inception of the BJP to coming to power is an eternal source of inspiration for every worker. I pray to God for his long life and good health". ■

India's pride is soaring all over the world: Rajnath Singh

Addressing a gigantic rally at Khaneta under Aghad assembly seat in Bhind district of poll-bound Madhya Pradesh on 05 November, 2023 Defence Minister Shri Rajnath Singh said if someone tries to carry out any nefarious act, India can eliminate them on this side of the border, and if necessary, on the other side as well.

He said, "India's pride is soaring all over the world. During the Congress rule, people abroad would say India is a weak country. The world did not take our words very seriously but the situation has changed now, and if India says something on international forums, the world listens with open ears," the Minister said. Now, India is not a weak country. No power in the world can dare threaten India, he added.

"If someone tries to carry out any nefarious act, India can eliminate them on this side of the border, and if necessary, it can strike them on the other side of the border as well," the Defence Minister said.

Shri Singh said one person from every five families in Bhind district is in the Army, and he wanted to greet such families.

Lauding the works of Chief Minister Shri Shivraj Singh Chouhan, the Defence Minister said Madhya Pradesh was earlier a BIMARU (laggard) state. "But people of the country are now saying if one has to see growth, one must go to Madhya Pradesh. It is the cleanest state in the country. The per capita income in M.P. was only Rs 11,718 in 2001-02 which is now increased 10 times to more than Rs 1.40 lakh in 2023," the BJP leader said, adding that the growth rate in Madhya Pradesh is higher than the average GDP of India.

Shri Singh said Madhya Pradesh is the only State where the government gives Rs. 6,000 per year from its treasury to farmers in addition to the same amount disbursed under the Pradhan Mantri Samman Nidhi. ■

'Congress promoted a "crisis of trust" in politics'

Addressing a huge poll rally at Rajsamand and Nathdwara in Rajasthan on 03 November, 2023, Defence Minister Shri Rajnath Singh said people's faith in political leaders had been eroded by the party's failure to keep its promises. The BJP, on the other hand, had taken steps to build up people's confidence by treating it as a challenge, he said.

The Defence Minister said it was the difference between words and deeds, exacerbated by the Congress, that had led to the people's loss of confidence in the political system. The people of Rajasthan were aware of how many promises made by the Congress before the 2018 Assembly election had actually been fulfilled, the Defence Minister said. "Whenever elections come, the Congress starts giving assurances. This kind of politics can help form the government, but it cannot build the society and the nation," he said.

Shri Singh said that the Congress government had not only failed to maintain law and order in the State, but it was also unable to deal with its own internal conflicts and lack of discipline. While factionalism in the ruling party had affected the State's governance, the rise in crimes and communal incidents had destroyed peace in the State, he said.

Addressing another rally in Bhind, Shri Singh said this election will also decide the direction of the upcoming Lok Sabha polls. The people of the country want to see Narendra Modi as the Prime Minister again, he said. But the sole objective of the opposition INDIA alliance is not to bring development but to oppose Narendra Modi. ■

Congress government in Rajasthan is most corrupt: Amit Shah

Union Home and Cooperation Minister Shri Amit Shah on 07 November, 2023 said law and order, electricity in villages and welfare schemes started by the previous government vanished after Ashok Gehlot came to power in Rajasthan and added only a magician can do this, alluding to the chief minister's past.

Minister Shri Narendra Modi has done the work of taking the national flag to the moon. India launched a spacecraft on the lunar surface earlier this year, becoming the fourth country to achieve the feat. ■

GWALIOR, MADHYA PRADESH

'Congress made Madhya Pradesh a BIMARU state'

Union Home Minister Shri Amit Shah on 04 November, 2023 addressed a massive rally in Gwalior, Madhya Pradesh, which goes to polling on November 17. Shri Shah hit out at the previous Kamal Nath-led Congress government, calling it an anti-development government. "The Congress government is an anti-development government. When they formed a government for 15 months, they stopped many of the welfare schemes. They stopped the scheme that provided Sahariya Janajati with Rs.1000. They also stopped the sickle cell anaemia mission meant for the tribes. But the BJP revived all the schemes", he said.

Criticising the Congress party for appeasement, the Home Minister said Congress supported anti-national forces. "It supported the SIMI-like terror outfit PFI which Modi Ji banned. Congress named terrorists like Zakir Naik the messenger of peace. On the other hand, it tarnished the names of Hindu leaders by associating them with saffron terror," he said.

Hailing Prime Minister Shri Narendra Modi and Madhya Pradesh Chief Minister Shri Shivraj Singh Chouhan, Shri Shah said, "Due to the vision of Prime Minister Shri Narendra Modi, India has become the fifth largest economy from the 11th spot. On the other hand, Shivraj Singh Chouhan ensured that the economy of Madhya Pradesh grew at a high rate of 16 per cent and pulled 1.36 crore people from below the poverty line".

Accusing the Congress of dynastic politics, he said, "The Congress leaders are concerned about their sons only. Just like Sonia Gandhi wants to make her son the prime minister, Kamal Nath wants

Addressing an election rally in Kuchaman, Rajasthan ahead of the November 25 assembly polls, the Union Home Minister said the Congress government in the state is the most corrupt and has crossed all limits of appeasement, and appealed to people to uproot it. He cited the killing of Udaipur tailor Kanhaiya Lal, various communal incidents, illegal mining and recruitment exam paper leaks to target the state government.

Referring to Chief Minister Gehlot's previous association with magic, Shri Shah said he has made law and order, electricity in rural areas and schemes launched by the previous BJP government led by Vasundhara Raje vanish. "Only a magician can do this," he said.

Gehlot gets angry on seeing the colour red, Shri Shah said, in the context of a Red Diary that, according to the allegation of terminated minister Rajendra Gudha, contains details of illegal financial transactions of the chief minister.

He also said that the Congress can neither keep the country safe nor bring glory, whereas Prime

to make his son Nakul Nath the chief minister. They cannot do any welfare for the poor. They can only get engaged in corruption". "It is you, people, to decide whether you want the government of Corruption Nath or the government that does the welfare of the poor; Congress party that is involved in 2G scam or the Modi government that gives 5G speed; politics of Parivar or politics of performance," he said. ■

VIJAY SANKALP MAHARALLY IN PANDARIYA, CHHATTISGARH

Bhupesh Baghel a pre-paid CM of Congress

Union Home and Cooperation Minister Shri Amit Shah addressing a huge "Vijay Sankalp Maharally" in Pandariya, Chhattisgarh on 3 November, 2023 declared that Chief Minister Bhupesh Baghel is a pre-paid CM of Congress and his talk time is no longer valid. According to the union Home minister, Bhupesh Baghel turned Chhattisgarh into the Congress party's cash machine.

"If Baghel becomes the Chief Minister again, then thousands of crores of rupees will be withdrawn by swapping the pre-paid cards daily," Shri Shah said.

During his address, he urged the public to vote for Bharatiya Janata Party in the upcoming polls. "When you all go to vote, do not vote to elect an MLA or a minister...Your vote shapes the future of Chhattisgarh...Your vote is to end Naxalism and make the Adivasi region a developed region," he said.

Shri Amit Shah said Bhupesh Baghel is plundering Chhattisgarh's populace. The welfare of Chhattisgarh cannot be done by someone who only wants to advance his political career. I refer to him as a pre-paid CM of Congress for this reason. By simply switching the prepaid cards every day, thousands of crores of rupees will be taken out—even if Bhupesh Baghel wins the chief ministership once more by accident. ■

MUZAFFARPUR, BIHAR

'Muslims, Yadavs' population deliberately shown more in Bihar caste survey'

Union Home Minister Shri Amit Shah on 5 November, 2023 severely criticised Nitish Kumar

government in Bihar and accused the caste survey of deliberately showing inflated Muslim and Yadav population as part of appeasement politics.

While addressing a massive rally in Muzaffarpur, Bihar on 05 November, 2023 Shri Shah said the decision to conduct the caste survey in the state was taken when Nitish Kumar's JD(U) was an NDA constituent.

Shri Amit Shah said there are two types of 'JAM'. For BJP, JAM - Jan Dhan account, Aadhaar, and Mobile. For the Bihar government, JAM - 'Jativad' and 'Parivarvad', 'Apradh', and Minority appeasement. The alliance partners call themselves the well-wishers of backward classes. The decision to conduct the survey was taken when the BJP was a part of Nitish Kumar's government...Congress always boycotted and opposed the backward society. Whereas PM Shri Modi always respected the backward society..."

Earlier in 2022, Nitish Kumar-led Janata Dal (United) severed ties with the BJP and joined the Mahagathbandhan alliance, which comprises Congress, RJD, and Left parties. While attacking the Mahagathbandhan alliance, Shri Shah said the only agenda of the bloc was to oppose Prime Minister Shri Narendra Modi.

Nitish Kumar should stop dreaming about becoming the next PM. The INDI alliance did not even make him its convener, he said. Shri Shah also added that Nitish Kumar was responsible for 'Gundaraj' in Bihar. ■

This approach necessitates diligent work, in-depth research, and a rigorous process for developing the vision document. The document is only presented after thoroughly addressing these questions and conducting extensive research.

He shared the information that a remarkable 80% reduction in insurgency has been achieved in the Northeast region. Additionally, the Armed Forces Special Powers Act (AFSPA) has been lifted in approximately 66% of the affected areas, reflecting a significant step toward peace and normalcy in the region. Creating Systems for Good Governance

By: Chandresh Kotak

PM Modi Story

Shri Narendra Modi is recognized for his outstanding organizational skills. As an organizer, he consistently prioritizes productivity, efficiency, and excellence, which are the fundamental tenets of good governance. Throughout his life, he has been creating and putting in systems to bring in good governance, so much so that, when he was CM of Gujarat, his office received the ISO certification.

Over time, he brought his organisational skills to bear on the administration. Lack of accountability, subversion of the chain of command, red-tapism, poor coordination, overlapping functions, and transactional mindsets are common ills that plague the administration. He brought in initiatives to address these issues. One such initiative is the SWAGAT system (State Wide Attention on Grievances by Application of Technology) introduced in 2003.

It is an innovative concept that enables direct communication between citizens and the Chief Minister and also between the citizens and other functionaries of the Government. Under this system, the highest office in the

Lack of accountability, subversion of the chain of command, red-tapism, poor coordination, overlapping functions, and transactional mindsets are common ills that plague the administration. He brought in initiatives to address these issues

administration also attends to the grievances of the common man. For instance, on the fourth Thursday of every month, at precisely 3 p.m., CM Shri Modi used to be online with state officials on his left and aggrieved applicants on his right. Thus, ushering in the system to enhance transparency and accountability.

Shri Chandresh Kotak, the SWAGAT in charge at the time, recalls an instance of grievance redressal: "An applicant complained that he had approached an official for some

work, and was asked to pay a bribe of Rs one lakh in return. The CM asked him to identify the official and directed the latter to do the applicant's work immediately. Shri Modi handled the interaction with finesse, so as not to embarrass the erring official in the presence of his superiors. By the end of the day, the officer received the transfer letter in his hand, as directly instructed by the Chief Minister".

As an organizer, Shri Modi knows the importance of systems and formalized processes. Another example of such a system to bring seamlessness in workflow with transparency is IWDMS (Integrated Workflow and Document Management System). The system was created in 2005 by Shri Narendra Modi in Gujarat. Under it, the system of file management was digitized with targeted and efficient follow-up. To be precise, the system provides Workflow Management, Collaborative Environment, and Knowledge Management in an integrated fashion. A separate day was kept for the Cabinet to review and address the pendency. Time and again, it has proven to be a resounding example of E-Governance. ■

He said the rise in the sale of Khadi means its benefit reaches myriad sections across cities and villages. Benefiting from these sales are our weavers, handicraft artisans, our farmers, cottage industries.

The following are highlights of the address:

- The ongoing Khadi Mahotsav this month has broken all its previous sales records. You will be pleased to know of another fact that earlier in the country, whereas the sale of Khadi products could barely touch thirty thousand crore rupees; now this is rising to reach almost 1.25 lakh crore rupees. The rise in the sale of Khadi means its benefit reaches myriad sections across cities and villages. Benefiting from these sales are our weavers, handicraft artisans, our farmers, cottage industries engaged in growing Ayurvedic plants, everyone is getting the benefit of this sale... and, this is the strength of the 'Vocal for Local' campaign.
- Mera Yuva Bharat's website My Bharat is also about to be launched. I would urge the youth – I would urge them again and again that all of you Youth of my country, all you sons and daughters of my country, register on MyBharat.gov.in and sign up for various programs. The 31st of October is also the death anniversary of former Prime Minister Smt Indira Gandhi Ji. I also pay my heartfelt tribute to her.
- My family members, the entire country will celebrate the 'Janjaatiya Gaurav Diwas' on the 15th of November. This special day is associated with the birth anniversary of Bhagwan Birsa Munda. Bhagwan Birsa Munda dwells in the hearts of all of us. We can learn from his life what true courage is and what it means to stand firm on one's resolve. He never accepted foreign rule. He envisioned a society where there was no room for injustice. He wanted that every person should be entitled to a life of dignity and equality.
- India has a rich history of tribal warriors. It was on this very land of India that the great Tilka Manjhi sounded the trumpet against injustice. From this very land Sidho - Kanhu raised the voice for equality. We are proud that the warrior Tantiya Bheel was born

on our soil. We remember Shaheed Veer Narayan Singh with full reverence, who stood by his people in difficult circumstances.

- Be it Veer Ramji Gond, Veer Gundadhur, Bheema Nayak, their courage still inspires us. The country still remembers the spirit that Alluri Sitaram Raju instilled in the tribal brothers and sisters. We also get a lot of inspiration from freedom fighters like Kiang Nobang and Rani Gaidinliu in the North East. It is from the tribal community that the country got women brave hearts like RajMohini Devi and Rani Kamlapati. The country is currently celebrating the 500th Birth Anniversary of Rani Durgavati Ji, who inspired the tribal society. I hope that more and more youth of the country will know about the tribal personalities of their region and derive inspiration from them. The country is grateful to its tribal society, which has always held the self-respect and upliftment of the nation paramount.
- My family members, today there is no area of life where we are not able to see the capacity potential of woman power. In this era, when their achievements are being appreciated everywhere, we also have to remember a woman saint who showed the power of Bhakti, whose name is recorded in the golden annals of history. ■
