## **Press statement issued by BJP National Secretary, Shri Srikant Sharma**

BJP is committed to the corruption free good governance in India. The BJP has **Zero Tolerance** policy towards the corruption, while on the other hand the policy of congress party is not only to encourage corruption but also save the propagators of corruption in this country. The current issue of entailing congress party is attributed to Kerala CM Mr Omen Chandy. The prime accused in the Solar-panel scandal has alleged that he paid Chief Minister Mr Chandy 5.5 cr and also hand in glove with the other accused of the same case of corruption. After this expose CM Chandy has lost the morale to continue as the CM of Kerala and immediately should resign from his current post.

BJP while demanding his resignation has also asked for CBI inquiry on timely and fair trail of the solar- panel scandal so as to punish the guilty at the earliest. The matter is of grave importance as even after this serious allegation of corruption on the Congress President, Mrs Sonia Gandhi and Vice- President, Mr. Rahul Gandhi are keeping silent on this issue. Often Congress Party's top leadership by raising the political issue and obstructing the smooth functioning of the Parliament is maintaining silence in this issue is condemnable. Earlier also the congress party has refrained from acting against the Himachal Pradesh CM Shri Virbhard Singh in the case of assets beyond his income case. It seems that congress party has given their silent approval in this black money case too. Similarly the Uttarakhad CM Mr Harish Rawat's Personal Secretary was caught red handed while accepting bribe from the liquor mafia is also received a silent reaction from the congress party. The congress party intent on black money and its crocodile tears again remained a silent spectators in the Swiss Bank Account of Ms Parneet Kaur who was Central Minister during the UPA regime.

The silence of congress party on issue of corruption has raised many questions? Is the Congress Party silent because they have got the share in these issues of corruption? The people of this country wants to know how much money they have received as share? The country also wants to know what is the compelling reason for Mr Rahul Gandhi and Mrs Sonia Gandhi for their silence when your three CM's are facing this heinous charges of corruption.

It is condemnable that why Mr Rahul is silent on this issue who is so called expert is spreading the rumours by wrong canvassing. This time again it is proved that Congress party shields the corrupt who have perpetuated the scandals like 2G, CWG, Adarsh big corruption cases.
