The Commission is well aware of the conduct of the local police, who continue to be either silent onlooker or often functioning as party cadres for the Trinamool Congress.

In view of teh foregoing, we request the Commission as follows;

Increase the CAPF deployment such such CAPF alone is deployed for Poll duties on the day of poll, they are also positioned in the area at least 15 days before the day of poll and some forces stay back until 7 days after the poll results. This would be not only check possibilities of poll related violence but will also infuse confidence in the minds of voters that that their exercise of franchise is not punished by the AITMC.

Direct the CAPF to carry out route marches even in the inside lanes and colony roads, not merely on the main road so that voters are reassured and do not fear for the safety while stepping out to vote.

Replace officers complicit in teh commission of aforesaid offences and poll related violence.

Yours Sincerely
